

Riding-Week

a week in the saddle
For Greenhorns and Western Pro

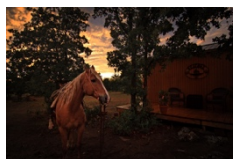

6 Nights / 7 Days

Your daily program starts after the hearty breakfast and ends with the ranch dinner

Upon arrival at the international airport Dallas / Ft. Worth we welcome you personally if airport pick-up is booked or you take on the 50 Miles drive to the ranch in your rental car – The Valley View Ranch is conveniently located, just 90 minutes west of Ft. Worth, nestled in the scenic Palo Pinto Mountains.

After a welcome drink and check-in, we will go on a brief ranch tour. A homemade dinner on the terrace or the rustic dining room completes your first day.

Let's go to the stables - this morning we will introduce you to Western Riding and you get to know our horses - we give tips and tricks and show you how to safely saddle your horse, including care.
In the afternoon we will saddle-up the horses and go on our first training ride in the round pen or paddock.

Later on we will serve Texas BBQ – relax and indulge the homemade food.

Giddy-up as the cowboy says - let's go to the western and horse stores in the nearby town Weatherford.

After a successful shopping trip we will bring you back to the ranch where you saddle your horse - together we will explore the ranch on the back of your favorite four-legged friend.

Now it is time to relax and process the impression over dinner

Let's get started - your riding pleasure on the ranch is awaiting – The next 2 days you will spend up to 2 hours daily with your horse! Grooming and saddling are part of your tasks as well as the unsaddling. The Ranch is suitable for rides between 1 – 1,5 hours.

Each morning after breakfast or in the afternoon you will climb into the saddle and we explore together the Valley View Ranch on pastures, hidden paths in the forest or past one of the three ponds - in the midst of the Texas nature.

In addition there is one evening ride into the spectacular sunset and on the way back you can watch the stars in the brightly lit night sky.

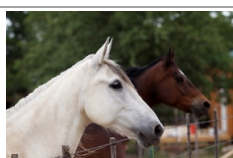

In between relax and cool off in the swimming pool or how about a soothing bubble bath in the jacuzzi. Those who want to experience more adventure, we recommend our ranch activities.

In the evening we serve freshly and lovingly prepared homemade Ranch Dinner - sometimes at the campfire.

Activity Free Day - Today you will have plenty of time to process the many impressions ... a day to relax - enjoy the swimming pool or explore the ranch on foot.

Rancher Sunday – activities are offered only in the morning

Enjoy the beautiful view into the valley while having breakfast and take on the challenge of your last riding adventure.

It is time to say goodbye – we drive you to the airport – your luggage full of souvenirs and unforgettable memories of your stay at the Valley View Ranch.
